Wed 26th  
Gr 5 First Aid incursion  
Fri 28th  
Last day of Term  
School finishes 2.30pm

CANBERRA CAMP -
I would like to thank all those involved in the planning and running of our recent Grade 6 camp to Canberra. This is a wonderful opportunity which provides great experiences for our students, thanks to you!

Education Week - Monday 20th to Friday 24th May
Next week is Education Week across Victoria. Education Week is a great opportunity for the community to find out more about Leopold primary School and the many opportunities we offer students to learn, thrive and grow to their full academic and social potential. This year’s theme is “Celebrating Careers”. Please see the attached timetable for details of the activities we have planned.

OPEN DAY TOURS -
To celebrate Education Week we have an open day on Tuesday 21st May. We invite all new families into the school to see the quality programs we have to offer and the quality work our students are producing. If you or anyone who is interested in having a look through Leopold Primary School they are most welcome to take a tour with our school leaders.

ASSEMBLIES TERM 2-
This term, after consultation with students and staff, it has been decided to trial assemblies every second week. There will be an assembly this coming Monday and then after that assemblies will be held every second Monday.

Yard Supervision  
Just a reminder to our parents that staff supervise students in the yard between 8:30 – 9:00am before school and between 3:30 – 3:45pm after school. Therefore, I recommend students do not arrive at school unless they are supervised by a parent before 8:30am and they should be collected by 3:45pm in the afternoon. For those parents who have difficulty coordinating their work around these times, our Before and After School Care Program is available to assist you.

ENROLLMENTS 2020-
It is that time of the year when parents make up their minds as to where to send their child to school in 2020. If you know you are going to enrol your son or daughter at Leopold Primary School in 2020, please collect an enrolment form from the office and return it to school as soon as you can. If you would like to have a tour of the School, please contact the office on 5250 1233 and make a time to come and have a look at our facilities and observe the exciting teaching and learning that happens in our classes.

LATE ARRIVAL
Remember that there are learning and social consequences for students who arrive late. They may miss the lesson’s learning intention and success criteria, and have not had the opportunity to catch up with their friends and develop socially. Students who are late (after 9:00am) must come in via the office so that adjustments can be made to the online rolls that have been already marked by classroom teachers. The procedure is designed to encourage regular attendance and ensure the safety of our students.

“I want to be… When I grow up”!!

Come to school dressed as who you’d like to be when you grow up… Children are asked to bring a gold coin donation.

Pacer

Students from our school have recently undertaken, an education tour of the national capital. Students were given the opportunity to participate in a variety of educational programs with a focus on Australia’s history, culture heritage and democracy. The Australian Government recognises the importance of all young Australians being able to visit the national capital as part of their Civics and Citizenship education. To assist families in meeting the cost of the excursion the Australian Government is contributing funding per student and under Parliament and Civics Education Rebate program towards those costs. The rebate is paid directly to the school upon completion of the excursion.

AUTHOR ENCOUNTER

CONNECTING WITH YOUR KIDS – BUILDING RESILIENT CHILDREN

Join this fun and interactive workshop for parents and carers as Andy McIlviej will provides strategies for achieving greater connection with your children. Andy will present ideas to help build more resilient children and stronger family relationships, and improve your confidence when communicating with your children.
