Fri 28th August

Curriculum Day (No School)

Welcome to the end of Week 10 Families and Caregivers,

It was great to have all our students back "on deck" last week. There were some pretty excited Year 3-6 students on Tuesday, happy to see friends and return to normal. The school appreciates all of your support in preparing the students for a smooth return to school. The overall consensus from across the school was extremely positive. As Principal of Leopold Primary School, it has been a huge relief to have all staff and students back at school.

Next Monday we will be running a "Virtual Whole School Assembly", where there will be a live video conference from my office to all classrooms. Our School Captains will be running this assembly.

We will continue to run our Monday whole school assemblies virtually across all classrooms until we receive further notice about restrictions. Many families will be thinking "what's happening next term?", however the school has yet to be informed of changes to Covid-19 restrictions and its impact on schools. We hope to have some advice for families next week. We'll be sure to communicate any changes via compass. Thanks for your understanding.
